

International Help

For the next few weeks OAC Queensland will have some international help. Leslie Rowe is a student who recently graduated from high school in New Hampshire, USA. Leslie met the Fittell family 3 years ago when they helped run several Vacation Bible Schools in New Hampshire.

Leslie has come at her own expense.

She has already provided some help with office work, and will work with Wes Fittell and Graeme Aldom on their trip to SW Queensland schools this month.

Pray for Leslie as she works with us and as she returns to the US to start her college studies in September.

After School Programs

At the end of May, Wes and Kevan worked with the Gateway Presbyterian Church to run a week of after-school programs at the Hamilton State School. The school is small and so attendances were small, but the children showed a keen interest in the Gospel message. At the family night on the Friday, 3 families showed interest in having ongoing involvement in the church. Pray that these people will come to the point of having a real faith in Jesus as their Saviour.

In August, we will be working with the same church, this time to run a week of after school programs at Nundah.

Maroochydore Holiday Program

During the recent school holidays, Kevan and members of the VTeam helped the local church in running a week-long holiday program in Maroochydore.

Using the theme "The Game", the program used Bible stories and games to communicate the Gospel message. Through the week, the team contacted about 40 young people, with attendances between 20 and 30 each day.

Pray for the local church as they follow up these contacts and continue to minister to local families through their weekly kids' club.

News and Prayer Points from OAC Ministries in Queensland

We are sad to report that Kevan Denny has resigned from OAC and will move into a new ministry from the 1st of August.

Kevan came to OAC in June last year. We have appreciated the energy, creativity and enthusiasm he has put into the work. He provided good help in schools and country ministry and in our work with the VTeam. Kev feels that his calling is more in the area of pastoral work, and he will be pastoring the Kenmore Community Church.

The church will be moving later this year to Bellbowrie, where there is no other church. This means they will virtually be planting a new church with a whole new approach.

We do want to express our thanks to Kev for the work he has done with OAC, and we know you will join with us in praying for him and wishing him God's blessing in his new and challenging ministry.

With Kevan's resignation, there is a real need for us to find new workers for our OAC staff team. Please pray for us as we seek the right person(s) to help in our important evangelistic work.

If you would like to help start the support fund for a new worker, you can use the enclosed reply slip to give to our "Team Support" fund.

OAC has branches in 5 states of Australia and work in 20 countries around the world. The enclosed OACI Update will give you a glimpse of our worldwide ministry.
